

DDT 260 : Portfolio

This course includes the preparation of technical and or architectural drawings for a portfolio presentation and a résumé for portfolio presentation. Hard copy as well as electronic drawings will be discussed, finalized and developed for presentation. Topics include production of a resume and portfolio for presentation during the last semester of coursework. Upon completion, students should be able to prepare and produce a résumé and portfolio for presentation in both hard copy as well as electronic copy. This course should be taken in the student's last two (2) semester in design drafting. (Every Other Semester)
