

Medical Billing Specialist

Program Code

STC-BSAD-MBS

CIP

52.0201

Type

Short-Term Certificate

*Students pursuing a career in medical billing should take BUS 241/242; those interested in acquiring further training in medical coding should take BIO 201/202.

**Test-out exam available for OAD 103: Intermediate Keyboarding.

Calhoun's Medical Billing Essentials and Medical Billing Specialist certificate programs give you affordable training that's fully online to fit your schedule and fully local to give you help when you need it. Our two-semester program can put you in the job market with high-demand skills in nine months. With skills in medical billing, you can work at hospitals, physician's offices, clinics, health care clearing houses, insurance companies, and government agencies. With the right experience, you can even start your own independent medical billing service.
