FEDERAL FINANCIAL AID APPLICATION PROCEDURES

Expenses for tuition, books, supplies, transportation, and miscellaneous personal costs are used in preparing an annual budget to help determine the applicant's financial need. Therefore, those who qualify must apply for financial aid each year.

Students who qualify may apply for financial aid at any time. However, processing time is generally four to six weeks; therefore, begin the application process as early as possible. All financial aid application forms and instructions are available in the Office of Student Financial Services. All students should file the Free Application for Federal Student Aid (FAFSA) application to determine their eligibility for Pell Grant and other grants, loans, offered by the Federal and State governments. This is an online application and can be found at **www.studentaid.gov**. For assistance with the FAFSA, complete instructions can be found at **<http://studentaid.ed.gov/resources#complete>**. Calhoun Community College's Title IV federal school code is **001013**.

Priority in making awards for FSEOG and Federal Work-Study shall be given to students completing the application process prior to April 1 each year. Awards for applications submitted after the deadline will be based on availability of funds.

Dependent/Independent Policy

The Federal Government has identified for student financial assistance programs certain categories of students who must be considered independent financial aid applicants. As a result, a student is considered an independent financial aid applicant if he or she meets one of the following criteria.

- Student was born before January 1, 1999.
- Student is a veteran or currently serving on active duty in US Armed Forces for purposes other than training
- Student is currently or has been a ward of the court since the age of 13, emancipated minor, both parents are deceased, in legal guardianship as determined by the student's state of legal residence, unaccompanied youth or homeless or at risk of being homeless (verified by high school counselor, clergy, homeless shelter, etc.
- Student has a child who receives more than half of their support.
- Student is married.

An independent financial aid applicant is not required to submit parental information in the application process.
