

# Payments

Calhoun Community College accepts cash, check, debit and credit cards for payment of tuition and fees; however, out-of-state, starter, and counter checks cannot be accepted.

Calhoun accepts Visa, Mastercard, Discover and American Express. Calhoun does not accept payments by phone; however, a student can make an online payment with a credit or debit card in his or her MyCalhoun Experience. The option to pay by credit or debit card is also available at the Cashiers Window on either Decatur or Huntsville Campus.

From MyCalhoun Experience, select the following:

- Student Services Quick Links Card
- Pay Tuition & Fees
- Select the applicable term
- Enter the payment amount, click "Add", and the "Continue"
- Complete the process by entering the requested card information

The payment confirmation will be emailed to the email address entered or it can be printed once displayed on the screen. If you do not receive a confirmation, the payment has failed and payment must be resubmitted. Any future refunds will be refunded to the debit or credit card up to the total amount paid.

Calhoun offers an interest-free, automatic payment plan through Touchnet. A \$40 non-refundable enrollment fee applies with payments by credit/debit card. All down payments and enrollment fees are processed immediately. Regularly scheduled payments will process each month. For more information about the payment plan, you may access the payment plan details at <https://calhoun.edu/student-services/financial-aid/payment-plan/>.
