

General Studies AS - History Concentration

Students planning to pursue transfer to a four-year university should complete a STARS guide and AREA V program of study to an Alabama university (or contact the transfer institution if out of state for transferability guidance) to ensure transfer readiness and satisfaction of course and program requirements. Talk with your Calhoun adviser and complete an official STARS guide to guarantee your program of study for transfer is correct.

For the Concentration Requirements, general electives must be selected from the Area V page of an Alabama Transfer school, or contact the transfer institution if out of state for elective choices.

For more information, please contact Glenda Mitchell at Glenda.mitchell@calhoun.edu.
