

General Studies - Physics Concentration

Students planning to pursue transfer to a four-year university should complete a STARS guide and AREA V program of study to an Alabama university (or contact the transfer institution if out of state for transferability guidance) to ensure transfer readiness and satisfaction of course and program requirements. Talk with your Calhoun adviser and complete an official STARS guide to guarantee your program of study for transfer is correct.

For more information, please contact Dr. John Golben at john.golben@calhoun.edu.

Program: [General Studies](#)

Program Code: AS-GENED-GPHY

Type: A.S.

GENERAL EDUCATION CORE REQUIREMENTS

Item #	Title	Credits
ORI 110 1	Freshman Seminar	
ENG 101 3	English Composition I
