

General Studies - Pre-Engineering Concentration

Students planning to pursue transfer to a four-year university should complete an official transfer agreement and AREA V program of study to an Alabama university (or contact the transfer institution if out of state for transferability guidance) to ensure transfer readiness and satisfaction of course and program requirements. Talk with your Calhoun advisor and complete an official transfer agreement to guarantee your program of study for transfer is correct. Please see Alabama Transfers for more information.

For more information, please contact Rodney Alford at rodney.alford@calhoun.edu or Ernest Williams at ernest.williams@calhoun.edu.
